Hey Scott:

Please see my suggested edits to the draft response. I've also included a clean copy for easier reading. I'm around before our 11 a.m. call, if you'd like to discuss it.

Just a reminder that Debra committed to responding to Rep. Dingell's control within 7-10 business days, so we need to get it out by Friday. I'm copying Eileen and Ronna here, as I'm until August 8 after today. One of them can share the letter with the Congresswoman's staff once Debra signs it.

Also, we should pick a few dates/times for the first update call next week and try to get it scheduled by COB, if possible. We can then add the date to the letter, which I think Debra will appreciate.

The attached is the response to this control. I sent a copy to the RA for her review, but given the time frame to get this completed, I think we should start the routing/approval process.

Thanks,  
Scott
